I am requesting with this letter that you open an additional account for me introduced by Robbins Trading Company to PFG. I hereby authorize you to use the account forms that I have already executed (for account number # _____) as the account forms for the new account.

I understand and agree that all promises, representations and information that I made in my original account forms are still true and accurate. I warrant that all statements in those forms shall apply to the new account as if I had executed a complete set of new forms.

I understand and agree to the commissions and fees that will be charged in my new account.
